Introduction

Audi offers a full range of vehicles for Ambulance Service use – from the A1 hatchback through the spacious and practical A4 and A6 ranges to the Audi Q3, Audi Q5 and Audi Q7 high-performance SUVs. All provide a superb solution for all mobility needs in the Ambulance Service.

With the renowned advantages of quattro all-wheel drive available on most models in the range you can be sure of optimum traction and dynamic on-road security even in the most difficult driving conditions.

And, of course, every Audi model is developed and tested using the latest safety equipment including Electronic Stability Programme (ESP) with Electronic Brakeforce Distribution (EBF) and twin front, side and head airbags.

Audi's state-of-the-art TDI engines are acknowledged industry-wide for their combination of proven reliability, smooth, flexible power, outstanding economy and low CO₂ emissions. With automatic engine start-stop and brake recuperation as standard on many models, Audi is at the forefront of technology.

Stylish looks and a wide range of options enable you to tailor each vehicle for every eventuality, Audi offers the widest and most comprehensive model range for effective undercover work.

This guide presents the full range of Audi vehicles available to the Ambulance Service, and shows key standard equipment details and technical specification details to help position each model where it is suited best.

The A1 offers all the technological sophistication found in Audi's bigger models in a package ideally suited to inner city work. Big-car equipment, a wide engine range with CO₂ emissions from just 99g/km and the option to specify many extras usually found only on luxury competitors enables the A1 to offer a unique solution in a great package.

Every Audi A1 includes the following equipment:

- ▶ 15" '7-arm' design alloy wheels
- ▶ Automatic start-stop function for greater fuel and CO₂ efficiency
- ▶ Recuperation for optimal energy utilisation
- ▶ Manual air conditioning
- ▶ 3-spoke Sports steering wheel, adjustable for height and reach
- ▶ Concert radio/single CD with MP3 with six speakers and two tweeters, SD card reader, AUX-IN socket 6.5" display screen (manually retractable)
- ▶ 'Zeitgeist' cloth upholstery
- ▶ Driver, front passenger and front side and head airbag system
- ▶ Electric front windows
- ▶ Driver and front passenger seats with manual height adjustment
- ▶ Rear head restraints (adjustable)
- ▶ Electronic Stability Program (ESP), including ABS, EBD, ASR and EDL
- ▶ ISOFIX child seat preparation
- ▶ 3-point seatbelts with reminder on all seats
- ▶ Body-coloured electric door mirrors with integrated indicators
- ▶ Thatcham Category 1 alarm and immobiliser
